

## **Here is a description of the retreat:**

September 11<sup>th</sup>, Saturday, 9:00am-3:00pm PDT

*White Fragility*, Robin DiAngelo (Explore why it's so hard to talk about racism) with St. Placid OblSB Planning Team for Faith, Racial Healing and the Rule of Benedict for our 2021-22 Oblate meetings

This program is an Optional Retreat for the Community of St. Placid Priory— Oblates, Oblate Candidates, Oblate Guests, and the monastic community—who have chosen to read Robin DiAngelo's *White Fragility* and want to engage in daylong reflective dialogue around its content. **Please bring your copy of White Fragility to the retreat.**

"No one wants to talk about race... It is awkward and explosive... .

But ignoring a gaping wound only leads to infection:

it is only through acknowledging racism

that we can work toward healing." \*
