Together in Service

In May of 2025, 8 Benedictine sisters from across the United States will be engaging in a mission of hospitality. For 12 days, they will be serving at Caridad de Corazón, sponsored by the Benedictine Sisters of Boerne, in Eagle Pass, Texas, where they will respond to the needs of the poor and disenfranchised living in communities near the Texas/Mexico Border. Their mission is not only to provide practical assistance and support but also to embody the Benedictine charism of hospitality, treating each individual they encounter as Christ himself. The sisters are committed to living out their faith in action, fostering a sense of community and belonging for those who have journeyed far from their homes in search of safety and a new beginning.
