Are you wondering where God may be calling you?

Journeying in Hope is an intercongregational retreat for women discerning religious life — an invitation to step away from the busyness of everyday life and make space to listen, reflect, and explore. Join us for a time of prayer, conversation, and connection as you consider your own journey of faith and discover where God may be leading you.

Open to single, Catholic women between the ages of 20-45.
